The Italian Banks Agreement will be funded upon certain bonds issued by Fantuzzi Finance S.A. having been discharged in full, which is expected to occur in the second half of 2009. Pursuant to the Italian Banks Agreement, the Company will borrow from the Italian Banks the U.S. dollar equivalent of approximately 48 million, which will bear interest at a rate of LIBOR plus 3.75% and mature on July 14, 2013.

The foregoing description of the Agreements is qualified in its entirety by reference to the Agreements, copies of which are filed herewith as Exhibit 10.1 and 10.2 and are incorporated herein by reference.

Certain of the lenders, or their affiliates, under the Agreements are party to other agreements with the Company and its subsidiaries, including the provision of commercial banking, investment banking, trustee and/or other financial services in the ordinary course of business of the Company and its subsidiaries.
